## **PREFACE**

Thanks to Allah for all His blessings and loves and His guidance still passed on to master the Prophet Muhammad SAW. then the writer can finish this thesis.

This thesis focuses on students's reading comprehension. This thesis is written to make the readers understand about the effect of using Team Pair Solo (TPS) to the students's reading comprehension. Reading comprehension as one of skills in English language is the common problem which must be some ways and solutions to solve this problem, in this case the researcher used Team Pair Solo to find out whether there is significance different between students who taught using Team Pair Solo and those who are not.

It will hopefully give the information of using Team Pair Solo to teach reading comprehension. This thesis will also become consideration for the English teachers to use Team Pair Solo in the teaching and learning process at the school. The writer realized that this thesis has weakness and the correction is hoped.
