## PREFACE

First of all, the researcher would like to say thanks to Allah who always gives all His blessing and mercy. He gives the researcher power to finish herthesis entitled “English Teachers Perception of Mobile Assisted Language Learning (MALL) in Banyuwangi”.

This thesis focus on English teachers perception in Banyuwangi about Mobile Assisted Language Learning (MALL) . It was written to make the readers know the perception about Mobile Assisted Language Learning (MALL) in teaching learning activity . Media are very important for students to make the learning process easier so that they can improve their understanding about English with four skills (writing skill , reading skill , listening skill , and speaking skill). Mobile Assisted Language Learning (MALL) is one type of m-learning that help students and teachers in language learning. MALL usually includes certain applications that can support teaching and learning activities.

Hopefully this thesis can be usefull for all the readers especially for English teachers as a reference to improve in teaching learning activity . This thesis is far from the perfectness, so commens and suggestions are needed to make this thesis better.The researcher also would like to thank to all of those who have given the contribution so that this thesis can be finished.
