PREFACE

Thanks to Allah for all His blessing and love. He gave me power to finish my thesis.

My thesis focuses on errors in narrative text. This thesis is written to make the readers understand about the errors in narrative text made by students of SMPN 2 Cluring. By understanding the error and its causes, it is hoped that a solution can be found

This thesis is expected to be a consideration for teachers and especially teachers at SMPN 2 Cluring to find out the errors made by students in narrative text and find a solution. The researcher realizes that this thesis has weakness and the correction is hoped.
