

Abstrak

Sepak bola adalah olahraga populer yang berpengaruh dalam kehidupan sosial, budaya, dan ekonomi. Permainan ini menekankan kemampuan fisik, teknik, strategi, serta kerja sama dan sportivitas. Perkembangannya menjadikan sepak bola sebagai sarana pembentukan karakter, pemersatu masyarakat, dan bagian dari industri olahraga modern. Sepak bola putri juga mengalami perkembangan signifikan dan berperan dalam meningkatkan kebugaran, pemberdayaan perempuan, serta kesetaraan gender. Melalui olahraga ini, nilai disiplin, kerja sama, dan potensi prestasi perempuan dapat dikembangkan.

Kata kunci: minat belajar, sepak bola, sepak bola putri

Abstract

Football is a popular sport that has a significant influence on social, cultural, and economic aspects of society. It emphasizes not only physical and technical skills but also teamwork, strategy, and sportsmanship. The rapid development of football has made it a medium for character building, social unity, and a valuable sports industry. Women's football has also grown significantly, contributing to physical fitness, women's empowerment, and gender equality. Through this sport, values such as discipline, cooperation, and women's athletic potential can be developed.

Keywords: learning interest, football, women's football
